Coffee time

Fine...! This is why I don't have a boyfriend.
I know enough about it, so stop bothering me!
1947
If you know about it, why are you still like this.
That's why you don't have a boyfriend.
There are lots of people who drink black coffee.
Why does it matter if I don't add sugar to my coffee? How is that connected?
It's weird for a girl to hate sweet stuff
Then Sarah and Jane are weird, too
They don't matter They're beautiful
Anyway, it's just an example. And what you should do is wear make up and...
I don't want to!

Why do you keep pestering me about boyfriends boyfriends boyfriends!
When did I ask you about such things?
1217
If you talk any more about it, I'll get angry!
Whether or not I drink my coffee black or hate ice cream or like watching boxing leave me alone-!
Huh
Ahh- it'll be even harder for her to get a boyfriend
than getting a signature from Michael Jackson-!
What boyfriend or something like that— When did I tell her that I need such a thing?

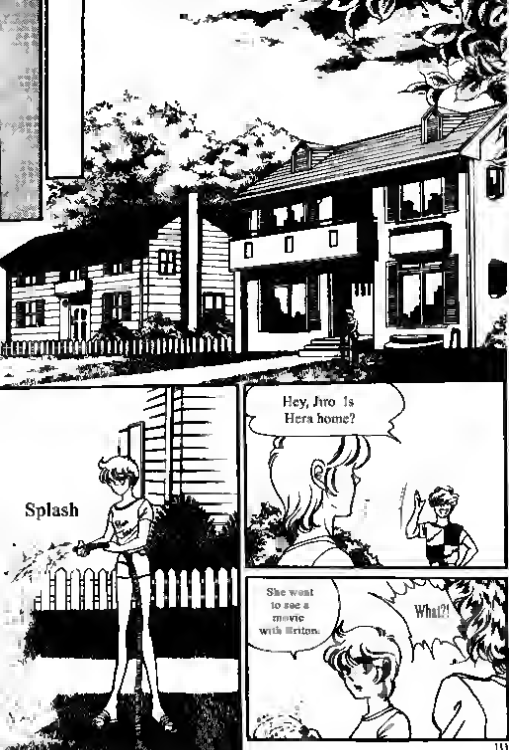
You bet $200 your sister Jiro will get a boyfriend in two weeks?
Why did you have a bet when you were confident about it?
I was impulsive
More than anything the problem is that she doesn't want to have a boyfriend!
...
There's Lena Green Craig in your year. She's famous for successfully match making people
What if you ask her?

T/N Lena is a main character in the author's other book, "Is it this card"
Heh~ 50 dollars?
To get a boyfriend for your sister Jira Stevenson?
Yes, Yes... I m asking you please
You made Gryane Hussen your boyfriend in 15 days and that was amazing
That s a painful past
I m advertising my book in a place like this
Ah... if you want I can give you more money
I'm sorry...

I stopped doing that kind of work
And it's not like she wants to date anybody and it doesn't make sense if you force somebody with your sister does it?
And you re willing to pay me a lot of money
Don't you have bad intentions?
You only have to say you won't do it. You don t have to care about something like that.
Wait, Hera Stevenson

If you have bad intentions, you will do something that you'll regret.
Thank you for your advice!
I'm already regretting it!
So she's not going to do it?
That's too bad.
It's not a small amount of money ... you're going to lose $200.
That's right. Those girls made me angry and I bet $200.

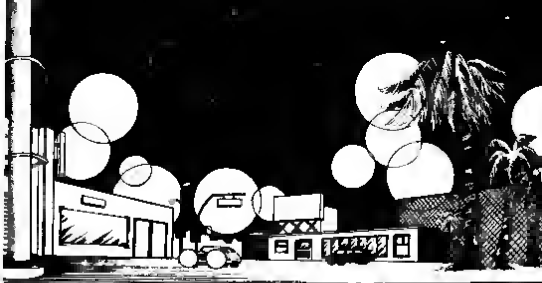
This is Jiro's fault as well. My friends are treating Jiro like a weird girl and they're even involving me to make a bet like that?
Anyway, how can get her a boyfriend in two weeks and study with him?
...
Hey, Hera, I have a good idea...
Can you get me two tickets for the Bon Jovi concert?



Hey, Jiro. Is Hera home?
Splash
She went to see a movie with Hiriton.
What?!

Damn it again?!
How many times has she broken our promise?
She told me that she was going to go with me... This ticket is going to be wasted.
That girl stood somebody up again
Hm.. Jov Do you have anything planned for today?
Even if I can go, I don't want to go in place of Hera!
Yes?
Ah~ The ticket for the Ben Jovi concert is going to be wasted
Then, see you later

Ah! Wait, Allen. Did you say the Bon Jovi concert tickets?
That's right.
Right, Jiro is Bon Jovi's fan
That is a unexpected for you to want to go
Wait... wait. I...
BON JOVI
Huh?
I'll go!



Wow- It was really good. You saw right! You saw it, right!
He moved around the stage all the time!
My sister is stupid. She didn't go to see this and went a movie instead.

When Bon Jovi sang 'Like a prayer'...
I didn't know Jiro would get this excited..
I thought that she was always muttering around...
Was it so moving.
Right, you're not thinking about me at all, because of Bon Jovi

Look
Here- This is what you ordered
Thank you
Jiro, yours is the cheese burger.
Here's the coffee. You don't need sugar, right?
Yeah
Why is he wearing a sunglass at night
Yeah
I heard it from Hera. You don't put sugar in pretty much anything.

I bet this is something big enough to have a rumour
No way- I was interested in you so I asked her
I was interested in you...
Is it because I'm outside when I'm normally inside at this time of night...?
Or is it because I saw Bon Jovi's concert...
Somehow...
I feel...

Oh no! Juro what happened? You came home so late
It's amazing that you didn't come home at around 9 pm for once
Yeah, a little
I was going to go with Hera
I see. I'm sorry, Hera. I went to the concert you were supposed to go to
Because you went to see the movie with Briton

Concert? What are you talking about
ASH
You forgot about it! How can you forget even if you have a lot of boyfriends? You were supposed to go with Ai on Aun.
Allen..?
You stood him up a lot of times.
You should be more careful if you don't want to lose your popularity
Wait, Jiro.
What do you mean, I made what promise?
I didn't make any plans with Allen.
He's just my classmate.
And you know that I don't like live concert very much
Hm... Allen...?
Then did you talk to him about me?
Yeah? Ah, a few times.

Come to think of it he was very interested when we talked about you
Interested?
Yes, he wanted to meet you?
So he came home at that time He was nice to you.
When I first saw him—
I'm Allen Aini, Jiro
Allen Aini...

Hey~ Are you reading?
Am I disturbing you
No, it's okay.
It's hot, right?
You know it. Can I get some juice?
Is Hera out again?
Yeah. She won't be home for the weekend
But what book is that?

Ah... nothing.
What book is it.
Ah-!
Peter Pan
Peter Pan are you reading this now?
When my mom read me Peter Pan when I was young, he was my ideal.
He flies in the sky and leaves pirates...
He's witty and he's brave
Hm. you must like Peter Pan?
I'm not. I just took it out because I remembered something.

...
You're talking about other guys as soon as we met
What
Look I coincidentally have two movie tickets this time
It's not for Hera...so could you come with me tea ?
Sfx Ahahahahahahaha

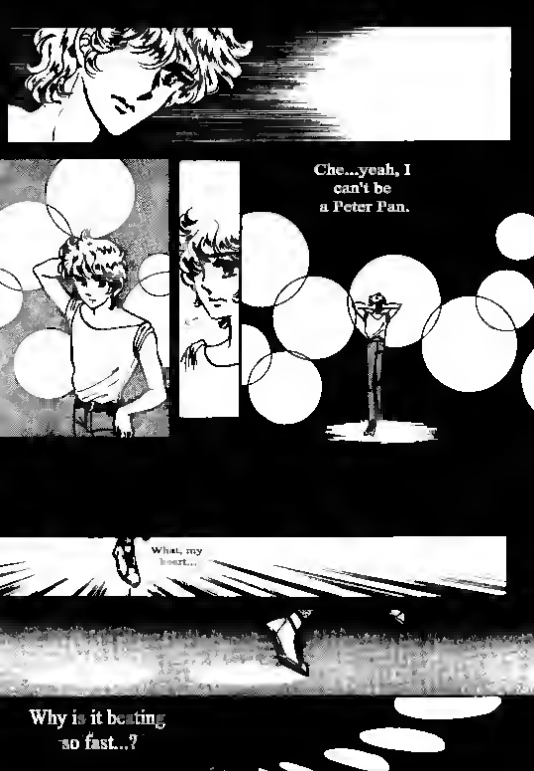
Aah... that was fun
It's my first time seeing a movie with another guy who's not my dad...
No way...

Ababaha! Who do you think would ask me out?
I'm joking... there were people asked me out, but
I couldn't trust them. I'm... I'm not confident in myself...
No matter what they say, it sounds like they're teasing me...
There were some people who did it... even though they didn't mean it.
So I couldn't accept them.
They didn't mean it... And if they meant it, and I knew it, then I still would have been happy... even if it only lasted for a moment.

But I have a nice sister, and I'm dating one of her friends?
Why are you not confident?
Don't you know the theory of relativity?
Hers is beautiful and she does everything well
But I'm...
I'm not confident in my intelligence nor I'm sure not confident in my looks.
You don't know how belittling it is to think
that you're even remotely than normal people or worse than them

Ah- Why do I have to talk about this?
Ah... But Jiro is cute, too.
You just have different charms than Hera
I don't want you pity
That's not true
Don't women become more beautiful as they age?
You should look in the mirror carefully
You must have got more prettier
Is it the right
Sure You'll get a nice boyfriend now

Maybe someone like me...
I... I like somebody like Peter Pan.
I... I sound like a kid, but someone brave like Peter Pan...
You don't have to see me home! I'm going-
Jiro!



Che...yeah, I can't be a Peter Pan.
What, my heart...
Why is it beating so fast...?

He's Hera's boyfriend!
Hey, Hera Stevenson
Is your sister doing well?
Aah~ Of course it's going well.
This isn't something that only you're good at
It's good that it's going well
I heard that your boyfriend Allen is going out with Jiro
The rumours spread fast.

T/N: Grayne Huston appears in the
I thought that you were quite close with Allen.
Were you not charming enough for him?
That's not true!
To tell you the truth, my friends think that Allen and I broke up
But we're only acting like we did.
Allen will come back to me later for sure

T/N: Hardy is another character who appears in author's other manhwa, "Is it this one?".

Prove it.
What?
It Allen cares about you that much, you must be able to come to Shere's party this weekend
Not! Something is going on with Hiro at the moment.
Ah, yes. Then shall I go and tell your friends about this?
Leia Green!
Then I'll look forward to seeing you at the party. I'm going, too
Leia, you are really...

Isn't this good? You'll know how Allen feels about you after this.
...
She's so simple, that's why she keeps getting involved in bets and threats.
Wrong.
What?
Girl, What do you mean what I don't think you're really acting. That's why
It really feels like you're having too much fun.

Are you jealous? That's not like you
You're cute, but please be patient until next week!
But what about the weekend party at Shere's house? I don't want to go with anybody else
Hera, now...
I want to go with Allen.
Okay, but you should talk to Jiro about it.
Yes don't worry about it.
Allen?

Yes. I don't want to steal your boyfriend but it's only for a day
ASH
Briton hurt his leg.
Boy boyfriend. He's not like that. Hara
You're... the one who is going out with Allen

It's you...

I'll be back!
I've been feeling something like this for a few days—
I must be going weird...?
Allen left not looking too happy.

10 pm...
Then when
It's okay. I'll ride my bike and come back soon.
I want to eat pizza too.
It's too late. And you don't have a driver's license.

That's Briton!
You're late.
I'm sorry
But I heard that his leg was injured?
So you're going to confess tomorrow
Mhm...
How do you think she'll respond?
Well

Hera... Allen's voice.
I think you'll succeed. I've never seen Jiro act like that.
But I think she really likes you.
What will you do when you break up with her?
Ahh yeah I have to think about it.
This is my fault I shouldn't have made a bet like that.
Even if I have to pay $200 I think I'm going to cancel the bet now

You're feeling pity for your sister now?
Don't say that! I didn't start this with any bad intentions
So Allen you don't have to be with Jiro anymore
If you do it now, then you'll only break up with her worse or hurting her
Yeah
Ah yes...
Right
Hey Allen! Why are you taking so long. Aren't you going to play?
Ah! I'll go
How about you?
Ah, I'll go in later. You should go first.
I was going to go to a dance party with Jiro... it's no use now.

Jiro-!
Since when... when did she get there.
Jiro-!
Wait-!
Jiro-!!

No matter what he meant... Yeah... I didn't expect anything from the beginning...
Jiro-!
Yeah... You didn't expect anything, Jiro...
Wait-! This is...
This is... what should I say next... I can't make any excuses.
...Allen is...
You're not my Peter Pan...

My Peter Pan may not have fun with me but he doesn't deserve me or leave me
But you weren t Peter Pan from the beginning, so it's okay
From the beginning he wasn't the one
Slap

Jiro-
Ring
This isn't pity...
Yes—I didn't kiss her out of pity
—I'm not feeling this unstable because of pity—
Then...?

I want...
I want...
I want to be your Peter Pan.
I'll pay the $200.
And the cost...for the Boy Jowl's rocket.
For me...if I'm going to be Jun Peter Pan
I have to sell the fake Peter Pan first.

What is it, Jiro? It's been years that you like
Why're you not using it and just staring at it
The smell of coffee is bitter
Yha
That's because it's black...
That's why the smell is bitter
I keep crying...
Jiro
...

Eh
Why did you come.
I have two movie tickets.
I'm not going
The fake Peter Pan who was going to go left
So Peter Pan who is now alone is holding this ticket
This Peter Pan who wants to be real one needs somebody to go with him.
The fake Peter before actually had fun with you.

I'm...
I've been adding sugar to my coffee since yesterday...
Will... the real Peter Pan add sugar to it?
Of course...
Then... I'm having tea time now...
Phila...

Somehow... the flower that Peter gave to Wendy smells of sweet coffee
Is it... just me ...?

Hey, Hera Stevenson!
Jiro and Allen became a pair?
Yeah, they're having a fun relationship. Are you happy now?
It must be painful to see them?
No...
They look good.
If you want somebody tell me
What?
I'm starting my business again temporarily. To arrange dates for people
I don't need it! I'm beautiful! I'm skillful! I can get as much boyfriends as I want
Aah... sure?
Coffee time
The end

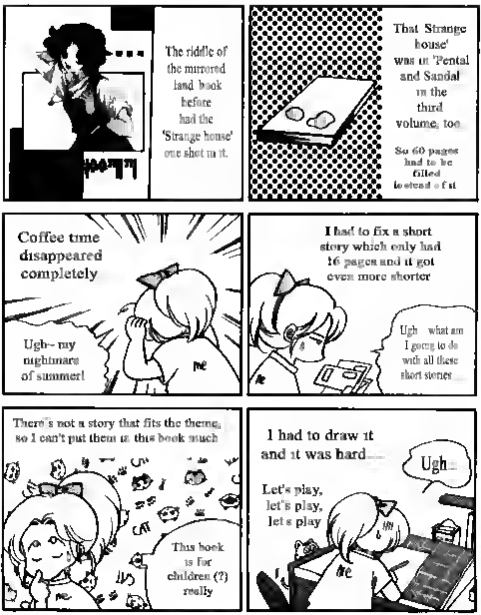
Coffee time afterwards.

This one shot has been in 'Girl Student' magazine before. I lost the manuscript somehow (it has something to do with me moving houses T.T) so I had to use my copy of the manuscript. When the artist loses their manuscript, it's awful (I remember a horrible summer like this a while ago...). Even if I try to comfort myself, it's painful when I remember it. I try to not think about it at all. The one shot which is in this book is very short, so it can't really be called a one shot ^^;;; I like coffee very much, but I'm trying to not drink as many these days. When you drink coffee after a long time of trying hard not to, it's delicious.

Studio diary

kangme 2003

1. Time of ordeal for manuscript

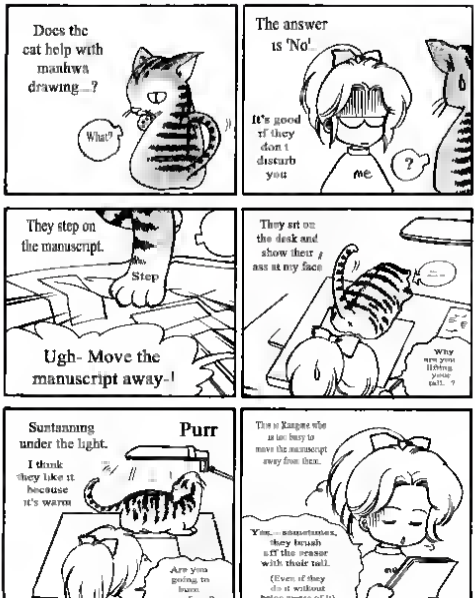


The riddle of the mirrored land book before had the 'Strange house' one shot in it.
That Strange house' was in 'Pental and Sandal' in the third volume, too.
So 60 pages had to be filled to stand a fat
Coffee time disappeared completely
Ugh~ my nightmare of summer!
me
I had to fix a short story which only had 16 pages and it got even more shorter
Ugh what am I going to do with all these short stories
There's not a story that fits the theme, so I can't put them in this book much
This book is for children (?) really
I had to draw it and it was hard
Ugh
Let's play, let's play, let's play
me

2. Computer

Ugh simple pictures should be done with the computer
Hahahaha
me
Yeah, I should tell the story about The Alice in Wonderland
Soo Jeong's drawings that I saw before
me
...
But the story isn't explained as much as I thought before
me
Let's shorten it and put it in
You should scan it and make it smaller
me
Yes
Sj
Isn't it over yet? What are you doing
me
Yeah?
...
Soo Jeong was removing every small flaws that will not appear on the publication on photoshop.

3. Cat



Does the cat help with manhwa drawing...?
What?
The answer is 'No'.
It's good if they don't disturb you
me
?
They step on the manuscript.
Step
Ugh- Move the manuscript away-!
They sit on the desk and show their ass at my face
Why are you lifting your tail...?
Suntanning under the light.
Purr
I think they like it because it's warm
Are you going to burn your fur ?
This is Kangee who is too busy to move the manuscript away from there.
Yes... sometimes, they brush off the eraser with their tail.
(Even if they do it without being aware of it)

The studio diary. The end.
